

Figure 1 is a technical drawing of a mechanical part. It includes a cross-sectional view (A-A) and a perspective view. The cross-section A-A shows a semi-circular top with a diameter of $\varnothing 21.7 \pm 0.5$ mm, a radius of $R 23 \pm 0.5$ mm, and a height of 22.5 ± 0.5 mm. The base has two 23 ± 0.5 mm wide sections. The perspective view shows a rectangular part with a height of 38 ± 0.5 mm and a central opening of 31 mm. A coordinate system (X, Y, Z) is shown, and a hardness test surface is indicated.
